LEARN HOW YOU CAN DO MORE: Wecandomore.ORG
OR CALL 713.500.9670

The University of Texas Prevention Research Center (UTPRC) unites accomplished researchers and dedicated community leaders in a common goal:

IMPROVING THE HEALTH OF CHILDREN AND ADOLESCENTS IN TEXAS.

With Baylor College of Medicine, the Houston Independent School District, Communities in Schools-Houston, and Collaborative for Children, the We Can Do More campaign is

WORKING WITH FAMILIES
IN THE SUNNYSIDE AREA
TO REDUCE TEEN PREGNANCY.

JOIN THE CONVERSATION:  @WCDMTX  @WECANDOMORE
ALLTHEWAYLIVE # ATWLSUNNYSIDE

"We Can Do More" is led by The University of Texas School of Public Health in partnership with Baylor College of Medicine, the Houston Independent School District, Communities in Schools, Collaborative for Children, and families in the Sunnyside area.
